

The Anchorage
A Contemplative Ministry

The Anchorage has been a part of my life for the past seven years. Since that time my relationship with God has grown and changed. I have learned that God loves each of us just the way we are. Only God and my dogs have the ability to give me unconditional love.

The Anchorage has touched me in so many ways. One way is spiritual direction which has helped me develop my relationship with God and has enabled me to be aware of how he is working in my life. Things that I took for granted before such as a squirrel or bird are so much more enjoyable. Quiet time and time alone is refreshing and nourishing.

I am writing this to appeal to each one of you to consider a gift to The Anchorage. These past five years things have been hard on individuals as well as organizations that depend on donations for their survival. The Anchorage is no exception. The Anchorage needs contributions to continue its ministry into the future.

A donation this Christmas season will enable this ministry to continue. It will be the gift of God to someone who is searching for healing, for comfort, for discernment, for rest. Please make this gift as important as any on your gift list. This gift would not be another “thing” in someone’s life but a gift of God to those who come to Anchor deep. The donation can be a monthly pledge or a one time gift. Every dollar counts.

Please consider a donation. In contemplative fashion, take 3 minutes of quiet and consider the possibility of a donation at this time. If the answer is “nothing at this time”, thank you for your prayer, or if you decide to donate, thanks for your prayer and support.

God Bless
